

Crusaders Swimming Club

NOVICE SPLASH GALA Licence Number 4ER190276
Saturday 12th January 2019
Tiddenfoot Leisure Centre

Registration 4.45pm Warm Up 5pm Start 5.30pm
Ages are as at 12th January 2019

PLEASE, instead of watching from the balcony, volunteer to help so we make sure we can run these licensed events for your children.

The aim of this gala is to introduce young and inexperienced swimmers to competition within a friendly, familiar and relaxed environment. It also gives the more experienced swimmers the opportunity to improve their times with a view to entering other external competitive events.

Small pool swimmers

- Children will compete over 12.5m freestyle and 12.5m backstroke.
- 12.5m is the distance of a width of the main pool and a similar distance to the length of the small pool. All races will take place in the shallow end of the main pool.
- All competing swimmers will receive an award. For the width races medals will be awarded to the first three swimmers in each individual age and gender group.

Main pool swimmers

- Children swimming in Dolphins (8.15am Sundays) will compete over 25m freestyle and 25m backstroke, with an optional 25m breaststroke to gain a time.
- Children swimming in Learn to Train and Green Squad will compete over 50m freestyle and 50m backstroke, with an optional 50m breaststroke to gain a time.
- Children swimming in Black and Gold Squad may compete over 50m freestyle and 50m backstroke, with optional events of 100m breaststroke **OR** 200m IM.
- The optional races will not be included in the gala results and we reserve the right to delete a race from the programme if we have too many entries.
- Points will be awarded to the first six in each age group (6 for 1st down to 1 point for 6th) and in addition one point will be awarded to every swimmer completing a legal time plus another point if a PB is achieved. An additional point will be gained for every second by which the PB is bettered. Any swimmer with no entry time will be given a similar time to the slowest swimmer in that event depending on gender. Entry Times will be taken from our latest rankings list using times from 1.1.17.
- Medals will be awarded to the first three swimmers in each individual age and gender group, with the winners being the swimmers gaining most points from the two compulsory events. In the event of joint points, medal positions will be decided by combined times of the two events. LTS and Dolphins will be awarded a participation medal if they don't receive bronze, silver or gold.
- A copy of all the results will be posted on the website (www.linsladecrusaders.club).
- LTS/small pool are free to enter. Entry will be £2 per race or all 3 races for £5 payable with your application. **Please tape/paperclip your entry fee to your entry form. This charge covers pool hire and medals.**
- It is strongly recommended that all swimmers bring a T-shirt to wear on poolside whilst waiting for their races.
- Entrance on the night for spectators will be £2 per person (children and senior citizens free).
